9. Whether composition of IQAC as per latest NAAC guidelines:	Yes
Upload latest notification of formation of IQAC	<u>View File</u>
10. Number of IQAC meetings held during the year :	1
The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website	Yes
Upload the minutes of meeting and action taken report	<u>View File</u>
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No

12. Significant contributions made by IQAC during the current year(maximum five bullets)

1. Introduction of 3 month Certificate Course in Human Rights Education (HRE)
under the funding of UGC(NERO)/HRE in 2015 2016 academic session. 2. Orientation
/ Induction programme organised for fresh students admitted in the College. 3.
Tutorial / Remedial Classes conducted for weaker students. 4. Different
institutional committees are being formed to assists and improve IQAC towards
quality initiatives in the College.

<u>View File</u>

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes		
To Conduct Orientation / Induction Programme for the newly admitted students	Conducted the Programme successfully		
* To Implement additional course / certificate course for students	Introduced three months Certificate course in Human Rights Education.		
* To conduct remedial or special class for the weaker students before the University end semester exam.	One week remedial / tutorial classes conducted for the weaker students.		
Observing of College Founding Day	Observed in June		
Collection of Feedbacks from stakeholders	Feedback collected in last week of November		
Vie	<u>w File</u>		
14. Whether AQAR was placed before statutory body ?	Yes		
Name of Statutory Body	Meeting Date		
IQAC, Lamka College	13-Jan-2015		
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No		
16. Whether institutional data submitted to AISHE:	Yes		
Year of Submission	2015		
Date of Submission	19-Feb-2015		

17. Does the Institution have Management Information System ?	Yes

If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)

• Important information are put up in the notice boards of the students well in advance. • Interval meetings of the Students' Union is held with the Principal as the President/Chairman for better dissemination of information. • Whatapp group for the students are created for faster and transparent information system.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Lamka College, one of the two college in the District of Churachandpur, Manipur in all its efforts works for the overall development of the students. Utmost care is taken for the systematic delivery and timely completion of the syllabus prescribed by Manipur University. Curricular and co-curricular activities are planned and carried out through the College annual academic calendar. At the beginning of each academic session orientation or induction programme is organized where the students are given information on the curricular and cocurricular activities for the academic year. To ensure smooth teaching learning atmosphere every department heads prepare their class routine and outline syllabus well in advance. The College presently runs 8 elective B.A. Arts subjects and Commerce stream with M.I.L subjects of different local languages such as Paite, Hmar, Mizo, Thado-Kuki and Manipuri. The action based process involves the following: Academic Calendar: The College have its annual academic calendar put up in the notice board of the students and for all the departments. All expected activities during the academic year are clearly stated with month and dates. The IQAC approves the coming academic calendar at the end of previous academic session. Daily class routine is being prepared well in advance before the start of the academic session to prepare the faculty well in advance for their syllabus and lecture. Departmental meetings are conducted in which the syllabus is distributed to all the faculty according to their interest areas or specialized subjects in all the department by each department head. Monitoring the Teaching Learning process: After the introduction of the semester system in undergraduate courses by the Manipur University, a single semester consists of five months including the end semester examinations. Every teaching faculty prepare a lecture note well in advance so that effective class lecture is given to the learners. All departments evaluate their teaching learning system towards the end of the semester but before the examination so that remedial classes and tutorials are arrange for the weaker students. Since, Lamka College is basically running undergraduate Arts and Commerce courses, class room teaching is given priority. To evaluate the students' progress internal test and assignments are an important elements that the college emphasize to students before the endsemester exam. Feedbacks from the students: The College has feedback system in place. Feedbacks are collected from students and teaching faculty in a questionnaire basis in which the respondent responded to the questions in four grading remarks - excellent, very good, good & satisfactory. The questionnaire is prepared in a holistic approach including all aspect of the college. From the feedback received steps for improvement of teaching - learning are made and apply accordingly. The IQAC, through the concern department heads monitors the overall teaching and learning process by collecting the feedbacks from

1.4.1 – Whether structured feedback re	eceived from all the s	stakeholders.		
Students			Yes	

Teachers	Yes
Employers	No
Alumni	Nill
Parents	No

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Feedback regarding the College administration, teaching-learning, curriculum and co-curriculum activities are periodically collected from students, teacher / faculty and other stakeholders. The feedback system of the college is mainly managed and monitored by the academic committee and the IQAC in which, the principal is the Chairman. The feedback are in the form of questionnaire which the respondent responded with four levels of grading indicator - Excellent, very good, good and satisfactory. After feedbacks are collected, it is analyzed and the students and faculty are given the liberty and freedom to give their valuable suggestions. The students can also submit their suggestions, grievance and problems anytime during the semester through the Grievance Redressal Committee. The students also gave their feedbacks through their mentors and are given due importance. The feedback from faculty is obtained through discussions in the departmental meetings or in the faculty meetings. Since the college does not have a registered Alumni Association thus far, it does not keep a feedback record of the alumni students. All feedback collected are thoroughtly discussed and analyzed in the appropriate forum or committee for action and improvement of the college. Matters relating to individual issues are fowarded to the individuals concerned or departments to address the problem by adopting corrective measures. Matters relating to the overall administrative process of the college are dealt with the principal in coordination with the concern department through head of department or concern committee.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

One of the major components of our education system is examination. The education process in any discipline of learning ends with examinations. The entire effort put in by the teachers on teaching and the student on learning is centred on getting good results in the examinations. Thus examinations have been overriding the process of education and are a matter of concern for stakeholders. The institution has adhered to the following norms for the continuous internal evaluation (CIE) process: - Admission notice for the Session are served by the college soon after the Manipur University notifies the date for new session. - The college notifies the date for starting regular classes after all the admission process are completed in compliance with the university order/notice. - Induction programme for the new students are conducted every year. - The college academic calendar are provided to the students at the beginning of every session. - The College conduct internal examination before every end semester examination. Sometimes, the students are given home assignment which is considered equivalent to internal assessment depending on the situation. - Regular classes for the students are conducted on every working days. The list of holiday for the College are provided by the Government of Manipur. - The class begins at 10: am in the morning and end at 3:00 pm in the evening. - The college arranged Remedial/Tutorial classes for all those students who felt the need for extra classes. - The Vice Principal of the college ensures the smooth conduct of the classes.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

At the beginning of each academic session orientation or induction programme is organized where the students are given information on the curricular and cocurricular activities for the academic year. To ensure smooth teaching learning atmosphere every department heads prepare their class routine and outline syllabus well in advance. The College presently runs 8 elective B.A. Arts subjects and Commerce stream with M.I.L subjects of different local languages such as Paite, Hmar, Mizo, Thado-Kuki and Manipuri. Academic Calendar: The College have its annual academic calendar put up in the notice board of the students and for all the departments. All expected activities during the academic year are clearly stated with month and dates. The IQAC approves the coming academic calendar at the end of previous academic session. Daily class routine is being prepared well in advance before the start of the academic session to prepare the faculty well in advance for their syllabus and lecture. Departmental meetings are conducted in which the syllabus is distributed to all the faculty according to their interest areas or specialized subjects in all the department by each department head. The College conduct internal

examination before every end semester examination in adherence to the academic

calendar . Sometimes, the students are given home assignment which is considered equivalent to internal assessment depending on the situation.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

108680

There are established systems and procedures for maintaining and utilizing physical, academic and support facilities- laboratory, library, sports complex, computers, classrooms etc. Describe policy details of systems and procedures for maintaining and utilizing physical, academic and support facilities on the website within a minimum of 1000 words. Response Policy for Physical, Academic and Support facilities. Lamka College has a well established systems and procedures for maintaining and utilizing the different infrastructures. It has different internal committees which look after and monitor the smooth functioning of these infrastructures. Any report for repair or upgrade goes to the infrastructure committee concerned which immediately looks into the matter. However, for major works or up-gradation of the existing infrastructures or setting up of new ones, the matter goes to the Building committee of the college. The college has adequate space to accommodate the physical, academic and support facilities. There are adequate classrooms with proper space for seating and mobility and lighting to meet the need of the students. The library is well stocked with curriculum books as well as volumes of references books and newspapers. Reading tables are provided to ensure a comfortable read. The College also has a back-up generator to provide power if the need arises. There are several waste bins placed at strategic places around the campus to discourage littering and ensure a neat campus. The college has a cleaning crew which looks after that the administrative offices, classrooms, library, bathrooms (both the gents and the ladies), conference room, gymnasium, campus etc. Any damage be it equipments or furniture are replaced as the need arises. Maintenance and utilization of Library. The library has a Library Committee with the Principal as the chairman and members appointed by the Principal. The committee ensures the smooth functioning of the library. It is responsible for the purchase and collection of books, journals and other reading materials on the recommendation of the Head of Departments. It ensures that the rules and regulations are followed and entrusted with the task of modernizing the library book keeling. The library is accessible to all students and faculty members. It is open from 10:00am to 3:00pm from Monday to Saturday. There is a nominal library fee which the students pay at the time of admission which goes towards the maintenance and upgrading of the library. Binding of old and partially damaged books are done periodically as the need arises. Online access to ejournals is provided through INFLIBNET N-List consortia to which all the

students and faculty members are registered. Maintenance and utilization of Computers. All computers systems in the college are managed and maintained inhouse by the IT Nodal Officer. The college has a computer room for the students with access to wifi connections. Sensitive equipments are maintained through the use of UPS(uninterrupted power supply) connected to every computer in the college and a back-up generator provide power source when the need arises. The computers are accessible to the students with a nominal fee paid at the time of admission. It is open during working hours(10:00am to 3:00pm) and the students make use of it to access journals and reference books which are not available in the library through the INFLIBNET N-List Consortia. The audio-visual system is set up in the Conference room. The college website is maintained regularly by the IQAC under the supervision of the IT- Nodal Officer. Maintenance and utilization of Sport Complex. The college has a gymnasium with well- maintained equipments to meet the needs of the students and faculty members. It has a spacious indoor stadium for playing badminton, table tennis, volleyball etc. There is an outdoor basketball court as well as a playground with enough space to host outdoor games and competitions like running tracks, outdoor volleyball etc. These infrastructures are accessible to the students with a nominal fee paid at the time of admission. The Committee in Sports and Extracurricular Activities organize sports activities, provides suggestions for up gradations to the Building Committee and supervise the maintenance of these

infrastructures by the cleaning crew. Maintenance and utilization of Classrooms. The classrooms are properly lighted and equipped with suitable furniture arranged to ensure space for mobility. Each classroom has adequate benches and desks for each class along with a whiteboard and markers. The classrooms are cleaned everyday by the cleaning crew.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The College administration is transparent and democratic in which Students are engaged and participated in various administrative, co-curriculum and extra curriculum activities of the college. Every year as per the government notification and as per the Manipur University regulation, a Student Union/Council elections are held in the College and Students' Union leaders are elected. As per the regulation, the principal by its designation is the president and the General Secretary along with other secretaries are elected from the students, by the students and for the welfare of the students. The Students Union consists of the - Secretary education, Secretary Cultural, Secretary Games Sports, Secretary Finance, Secretary Magazine and secretary Information. The Students' Union act as an important catalyst for the development of the College by participating in committees of the College like -IQAC, Anti-ragging Committee, Sports and extra-curricular activities Committee, National Service Scheme (NSS) etc. College annual events like Annual Games Sports Meet, College Founding Day and other Cultural events are mainly organized and anticipated by the Students Union.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

5.4.2 – No. of enrolled Alumni:

5.4.3 - Alumni contribution during the year (in Rupees) :

0

0

5.4.4 - Meetings/activities organized by Alumni Association :

As the College does not have a registered Alumni Association at present no official meetings and activities organize by the Association. The College is looking forward to have a functioning registered Alumni Association in future.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Lamka College promotes the culture of participative engagement and management from its inception. The administration is participative and decentralised in its nature and functions. The teaching and non-teaching staff has inputs and influence over the decision-making of the institution. This is evident from the institution of different committees to meet the administrative requirements of the College. Through the committee meetings issues are raised related to day-today functioning of the institution which are discussed and solutions are sough in a democratic manner. Any decision to be taken is carefully taken care of by the head of the institution. The principal, before taking ant major decisions takes the opinions of the faculty members and gives importance to the decisions taken at the committee levels. The observations, analysis, suggestions and recommendations of the staff members are openly welcome and considered carefully. This makes the staff members that their opinions count. The College

functions through different levels of committees like - the Academic Committee/Council, IQAC, the Planning and Development Committee and various other alike committees. These committees takes decisions as per the suggestions of faculties to promote the culture of participative management. Annual review and feedbacks from different stakeholders are taken for further improvement and decision-making. The two practices of decentralization and participative management that the institution has undertaken are - Organisation and reorganisation of internal institutional committees. The teachers Council, after having detailed discussion with the teaching and non-teaching staff, if found necessary reconstitute and re-organised the internal committees to ensure efficient and effective functioning of the curricular, co-curricular, extracurricular and other developmental activities. Each committee or cell consists of 3 - 10 members depending on the nature and extend of responsibility. The senior teachers are assigned as the head of each committees. The committees are given mandate and they in return come up with constructive opinions. At the end of each session each committee submit or discusses their problems and issues and suggestions to the IQAC for necessary action and implementation. Secondly, the formation and institutionalisation of the College Planning and Development Committee (CPDC) acts as the main constitutional committee as per the State University norms. The composition of the CPDC ensures the active participation of all stakeholders such as teaching and non-teaching staff, students, academicians etc. which clearly ensures the decentralized and participative engagement. All major decisions are taken at the CPDC committee.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	To properly manage and take care of the admissions of the students, the College has its own Admission Committee. Every year, the committee notifies the dates and fee structure of admission for those interested public. Notice is put up well in advance in the College notice board and also publish it in the Local daily newspaper for the public to know about the admission process. The College published its prospectus every year along with the admission application form. Normally, issue of prospectus and admission forms is done from 2nd week of June and last date for admissions is at the end of July. The College prospectus is also uploaded in the college website. First come first serve basis is what we follow in the admission process. Most of the students seeking admission to the college are from rural areas. The College administration through the admission committee maintains utmost
	transparency and student friendly procedure of admission. The students'

	Union leaders volunteer themselves by setting up help desk to help the students seeking admission in the College.
Industry Interaction / Collaboration	Since the College is situated in rural area it is not easy to promote collaborative undertaking with industry. However, interdepartmental activities and collaborative efforts are being taken up and IQAC encourages departments, committees and other units of the College like NSS to collaborate together and interactive exercises are taken up. The College administration with the IQAC through departments and governing committees manages collaborative activities with the parent university and the State governing authority.
Human Resource Management	As far as available human resources, the optimum utilisation and management is being well looked after by the head of the institution. All the faculty members, non-teaching staff and students are part and parcel of the human resource and are optimally utilised and managed. They are all assigned to their own duty and responsibility as per their capability and they all discharged their duty faithfully and with commitment. The College management and planning committee provides moral and material support and freedom to the staff in performing their activities. The performance of the staff members is appreciated by the management. All the faculty members and staff are provided with adequate facilities such as infrastructure, library, study leave, duty leave, maternity leave etc. as per the Manipur government rules.
Library, ICT and Physical Infrastructure / Instrumentation	The College has a good library with quality volumes of books catering to the under graduate students requirements and need. However, the problem with the library maintenance is that the College does not have a permanent librarian to manage the library. Internal arrangements are made by assigning one or two among the faculty members to look after the affairs of the library. At present the College Library is still not computerised or automated due to lack of manpower and funds. The College administration is giving a top priority

	to the development of the Library and the matter has been intimated to the concern authority for necessary action. In near future the college administration is trying its best to provide e-resources or e-library facility to the students. The College Library Committee maintains the affairs and development of the library which is headed by the principal. The College administration always encourages the staff to cope up with ICT and encourages the faculty members to attend as much as ICT-base trainings or workshops available in the district. The Principal ensures that ICT based
	classrooms, e-facilities, e-learning tools are available in the College in near future.
Research and Development	The College being under graduate course only with few Arts subjects have little or no resources for promoting research and development as may be required. The College also lacks in source of fund as the number of students admitted are not huge to garner resources. In such a situation and as the College is exclusively Arts Stream promoting research and development is a big challenge for the institute. However, under the initiative of the IQAC, seminars and workshops are conducted from time to time. The IQAC ensures the active participation of all the faculty members and the students in such a seminar or workshop.
Examination and Evaluation	There is an examination committee of the College which look after the smooth conduct of any exams in the College, be it internal assessment or the University level examination. The Committee also maintains effective evaluation system in co-ordinating with the academic committee through conduct of internal test, assignments, co- curriculum activities and extra- curricular activities. The evaluation of the students are mainly done through the external and internal examinations held twice in a semester. Any grievances arises relating to examinations and assessments of the students' performance, the matter is quickly taken up and addressed to by the Principal and vice principal in consultation with the examination

	committee or the controller of exams without much delay.
Teaching and Learning	As teaching is the main aspect of education system, the College education emphasizes on quality teaching. The faculty members are encourage to participate in faculty development programmes such as Orientation programmes, Refresher Courses, Faculty induction programmes as per the Human Resource Development Centre (HRDC) under UGC in different Universities to update themselves with the modern techniques of teaching. The learners are provided with well documented Library facility, classrooms, and other academic exposures such as seminars, debates, workshops whenever available. The academic dean or the vice principal takes care of the academic affairs of the College in collaboration with the academic Committee. Feedbacks from students and other stakeholders are collected to assess the quality of teaching and from hence improvement are sought upon.
Curriculum Development	The College, being affiliated to Manipur University fully adopts and adheres to the curriculum designed by the University. The College prepares an academic calendar in tune with the parent university calendar. All faculty members have their own individual teaching plan in line with the academic calendar an as per the prescribed syllabus. The daily class routine is being prepared by the academic in- charge or the Vice-Principal. The faculty members interact with the members of the university authorities / statutory bodies related to curriculum development as when needed. The College does not have a separate procedure for promoting and developing the curriculum or syllabus by itself.
6.2.2 – Implementation of e-governance in areas of ope	rations:
E-governace area	Details
Finance and Accounts	At present the College is not in a position to fully run E-governance system as the College is not given any administrative staff for the purpose. However, payment of salary for all the teaching and non-teaching staff and other governemnt fundings are done through E-governance payment through

the Bank.

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

Internal Audit: The College Planning and management committee headed by the
Principal handles all financial matters of the College. The College Head Clerk
maintains all the admission fee receipts of the students and expenditures of
the College as per the advice of of the Principal. Internal Audit is done by
appointing an auditor by the principal and inputs are given to the auditor.
After auditing, audited statements are given to the Principal. External Audit:
External Audit is solely under the purview of the concern State Governing
authority which is the State Directorate of University Higher Technical
Education, Government of Manipur. Hence, as when and require external audit is
done by the concern governing authority and in which all supports are given by
the College.

7.1.7 - Initiatives taken by the institution to make the campus eco-friendly (at least five)

1.The college has eco-friendly environment with the establishment of a separate committee called the Go-Green Committee. 2. The College has its own environment and eco-friendly policy which is responsible to look after the protection, sustenance, cleanliness and greenery of the college. 3. Community cleanliness drive under the Clean India (Swatch Bharat) Mission are taken up on campus and its surrounding on October 2 (Gandhi Jayanti) 4. Plantation of trees are also taken up in the campus 5. The Go-Green Campus committee also keeps a yearly Audit report of activities undertaken.

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

INSTITUTIONAL BEST PRACTICE - 1 Title of Best Practice: Remedial Class and Tutorials for Weaker Students Objective: • To identify the problems of the students and working it out with the Teacher • To bridge the gap between the weaker learners and normal learners • To monitor the weaker students towards better results and excellence The Context: Slow or weaker learners have the difficulty in keeping up with the normal classroom teaching as their IQ is low and their understanding is slow compared to the normal learners. Many times during normal classroom teaching in likelihood, they are overlook by the teacher as they do not have learning disability. Such student, when left unattended separately tend to drop out of college and as a result give up their studies and education altogether. Lamka College fully acknowledge the fact that Learning is a life-long process and that each individual learner should be given the equal opportunity for consistent growth in his or her life. Lamka College objectifies this principle by way of creating and arranging remedial / special classes and tutorials for the weaker students for each subject so that they can also perform well in the exams. Remedial classes and tutorials are an extra-mile endeavours by the teachers apart from their normal teaching classes. The Practice: The targeted students are those who could not attend the College regularly and those who could not make up 50 marks in the internal examinations conducted by the College. The remedial classes and tutorials are usually organised after the end of normal classes and one to two weeks before the endsemester or the annual examination conducted by the Manipur University. Evidence of the practice: Great improvement is seen in the student's exam result after conducting the remedial classes. The good results of the students in exams and the overall results of the College reflects the success of the practice. Problems Encountered and Resources Required: One of the biggest

problem face by Lamka College is the huge insufficiency of Teachers. The College is now barely managing with 17 teachers including Principal in-charge with only 6 normal departments. The College has recently gave a petition to the government to increase the subjects and departments in the College. For example, the popular subjects like Sociology, Geography and Commerce stream are yet to be inducted in the College. The College requires more teaching and nonteaching staff to meet the academic requirements of the College in a tribal area like Lamka. INSTITUTIONAL BEST PRACTICE - 2 Title of Best Practice: Developing Social responsibility through Community Activities Objective: • To create an awareness towards a sense of social responsibility by visiting charity care centre and shelter homes for orphanage children within the community. • To play the role of 'being a blessing for others' especially to those socially and educationally are underprivileged groups of children. • To make students a responsible citizen of the nation and bring about holistic development of the student. • To transform the valuable talents and capability of the youth to serve the society The Context: Building and developing the passion for social responsibility is one of the vision objective of the college. The College makes the students and staffs aware of the obligation to the society, especially the weaker section. Practical knowledge of life is gained only when the students experience different life situations in the society around them. Education is incomplete just by acquiring knowledge and obtaining degree without sense of social responsibility and benefitting the masses. Instilling social responsibility in a student helps him to realize his potential and turn it to his own benefit and to the benefit of the society he/she lives. The Practice: The College has a student welfare committee and the NSS (National Service Schemes), the Youth Red Cross Club who takes the initiative for the activities. First Aid awareness programmes are given to students, who in turn disseminate it to the community they live in. Visits to orphanage homes and other care centres are carried out by the teachers and students so that the passion for social responsibility and self-less service attitude develop among the students towards the community. Evidence of the practice: The College team on visiting two NGO shelter homes for Children such as 'Happiness Home', a shelter home for Children with HIV-AIDS infected and 'Only Grace Home', a shelter home for orphanage children run by the Zomi Mothers Association has great impact on the lives of students. During such visits the College team does charity work by giving food items and learning materials to those children in the shelter homes. Funds for this activity outside the college are donated and collected among the teaching faculty as part of charity donations. The College, by being able to reach out to the unreached section of the society feels itself proud to be 'a blessing for others' in the society. Problems Encountered and Resources Required: Logistics preparation and limited funds are the challenges that need to be address in

future.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Lamka College is located in the Hill District of Churachandpur, the southernmost part of Manipur State. The College is located in a so-called rural and hilly area populated by the Zomi tribal communities. It is one of the only two higher learning Government institution in the District. By the name of the Lamka College suggest 'Crossroad', the local name of Churachandpur Town. The College was established in 1976 with the primary vision to cater to the higher

educational needs of the tribal population. The College is a co-educational institution, catering to the needs of the tribal and other economically backward students in this part of the country. The College has its own vision objective reflected in its motto 'LIGHT A LAMP'. Lightening the human mind through learning process and building up and nurturing human capabilities to be able to match the national and global competency by optimum utilization of available resources. The College was taken over by the Government of Manipur in 1979. It was first affiliated to the University of Gauhati and later affiliated to the University of Manipur when the State Government established the University in the year 1981. The College is recognised by University Grants Commision (UGC) under Section 2(f) and 12 (b) of UGC Act, 1956. Majority of the students are from tribal community with low economic condition. The College provides financial help to those economically weaker student by giving them free admission and the students also avails Tribal scholarship from the Government. The College is a multi-disciplinary institution providing education in Humanities, Social Sciences (Arts) with Commerce. It runs only 8 Bachelor of Arts departments and Commerce through Honours programme. It is worth mentioning that the College is one of the first to be given B.Com. course among the entire hill districts in Manipur. Every year students mainly from rural areas (girls boys) of the district takes admission in different courses of the College. The College maintains a sound, liberal and general education aiming at the development of character and better personality of each student through a wide range of curricular and co-curricular programmes. It promotes gender equality and mutual respects in all areas of academic activities. The medium of instruction, except for Vernacular subjects (MIL) is English medium. The MIL / vernacular subjects introduced are Manipuri, Mizo, Hmar, Paite and Thadou -Kuki languages. The College gives prior importance to promoting education for the poor tribal students of both boys and girls living in rural villages who cannot afford to pay for tuition fees in private institutions in urban cities. The college has a very unique, compact and strong dedicated qualified faculty in different departments. They all have taken their degrees from the premier institutes from different parts of the country. Thus, students from rural and semi-urban background are very much benefited from our faculty members. This is our thrust area which makes us distinctive in performance of the institution.

Provide the weblink of the institution

8. Future Plans of Actions for Next Academic Year

Future Plan of Action The IQAC and the College Planning Development Committee with the Academic Council have positively decided to take up the following plan of Action for the next academic session 2016-2017 in its meeting held on the 25th of April 2016 under the Chairmanship of the Principal. Future Plans of Action for 2016 - 17 1. Increase the Admission intake of Students: The College administration with the effort from the admission management team / committee shall strive to promote and increase the admissions of students for the next academic session. Mobilization of admission process to be develop and advertisements to be taken up. 2. To organize Orientation / induction programme for the newly admitted students at the opening of the academic session. The date and programme to be detail after the last date of admission. 3. To try to arrange Life Skill training and Vocational trainings for the students: Efforts to be taken up with the concern university / authority to help the College introduce and run vocational and skill training courses. 4. Infrastructure development of the College to be focus: Concerted effort to be taken and petitions to be made to the Government for infrastructure development like - classrooms, better gym sports facilities, better administrative block etc. 5. Enhancing of Information Communication technology (ICT) facilities in order that modern system of teaching in-line with ICT may be also made available to all. 6. To make all efforts to

introduce the Bachelor of Commerce Stream in the College as soon as possible and to introduce new subjects like - Sociology and Geography which are becoming an important subjects for students pursuing higher studies and preparing for Civil Services competitive exams. 7. Conduct of workshops/seminars/conferences etc are paramount to the improvement of quality education and learning and should be given importance. The IQAC shall be mainly responsible in organising such academic exercises.
